Holidays under the Tyrolean sun

Radiant sunshine, a crystal-clear lake, fresh mountain air and beautiful views. Where can you find all of these? In the wonderful and idyllic mountain village of Walchsee, located on Lake Walchsee near Kössen and Kufstein, Tyrol. The four-star Hotel Walchseer Hof is located in the centre of the village and time and again enchants its guests with its Tyrolean charm, mixed with warm hospitality and a traditional yet modern style.

A summer like way back when

As a kid, the worst was having to go home in the evening when you would have loved to play outside a little longer! Feel like a kid again and spend your well-earned holiday outdoors. Climbing, hiking, rafting, biking, swimming, sailing, paragliding, horseback riding or playing golf - the wide variety of activities will leave nothing to be desired. The surrounding Kaiser Mountains with the Zahmer Kaiser and Wilder Kaiser chains of mountains make hiking and climbing fans' hearts skip a beat. With its striking location at the bottom of the valley, Lake Walchsee tempts holidaymakers with many athletic activities. Lake Walchsee's shimmering, sparkling water is irresistible. The perfect accommodation after a day of fun sports is the Hotel Walchseer Hof**** in Kössen in Tyrol. The green is open

Your golf clubs and bags are packed and ready to go! The golf season is open and the Hotel Walchseer Hof**** invites you to Tyrol for a week of golf. Luscious greenery as far as the eye can see, well-kept greens cut perfectly to the millimetre and white flags blowing encouragingly in the breeze. The three golf courses around Lake Walchsee and 50 additional golf courses nearby offer a wide variety for all golfers. Choose from the 18-hole borderless golf course in Reit im Winkl-Kössen, the excellent and beautifully maintained 18-hole "Kaiserwinkl Golf" course in Kössen and the 9-hole Walchsee-Moarthof course. The borderless Reit im Winkl-Kössen course is a special highlight, as it is the first golf course in the world to stretch across two countries - from Tyrol in Austria to Bavaria in Germany. All three golf courses are suitable for beginners, handicap players and pros. Playing golf in the shadow of the imposing Kaiser Mountains - it can't get much better than that! The team at the four-star Hotel Walchseer Hof are also convinced of this and have put together an unbeatable golf package for our guests.
