*Financial Times: HHL's Master Program Scores International Top Ranks for Salaries*

The ranking published by the Financial Times (FT) today attests to the top results of the M.Sc. Program of HHL Leipzig Graduate School of Management for career prospects. HHL graduates have achieved 2nd place in Europe for their salaries and rank in the top 5 worldwide. Moreover, HHL's Career Service has scored a 4th place in Europe and 6th place worldwide. HHL has achieved the 17th position in the worldwide ranking, leaving behind a large number of renowned national and international universities.

The FT "Masters in Management" ranking, which rates 80 business schools, is considered to be one of the most comprehensive and significant internationally of its kind for Master programs with a focus on General Management.

The ranking uses data from two surveys. One polls the university alumni who graduated three years ago about their current situation. Additional information, such as internationality and the structure of the school or program, are collected at the school itself.

The Master Program in Management (M.Sc.) at HHL

The English-language Master in Management Program (M.Sc.) at HHL was ranked among the top of its kind in Europe according to the latest Financial Times Masters in Management Ranking. The program provides a basis for future management tasks and covers a wide variety of economic topics.

Building on a Bachelor's degree in economics, HHL attaches particular importance to teaching soft skills - courses such as Problem Solving & Communication, Negotiation or International Management Competencies represent an inherent part of the training. The 21 to 24-month full-time program offers eight fields of specialization, i.e. Finance, Accounting, Marketing, Logistics & Supply Chain Management, Entrepreneurship, Advanced Economics and Advanced General Management. By choosing four electives the students can set a topical focus on the career for which they are aspiring. In addition to a term abroad at one of over 110 universities partnered with HHL, the curriculum of the program also encompasses an internship. Excellent business contacts as well as a professional Career Service provide top career opportunities for the alumni. Students can enroll for this program in spring (March) or fall (September). <http://www.hhl.de/msc>
