Strengthening HHL's Alumni Activities: New Executive Board of HHL Alumni Association

During its general meeting on November 3, 2016, the HHL Alumni Association (HHLAA) elected Dirk Schuran, Dr. Christian Post and Raphael Werner (all alumni of the part-time MBA class P9) as the new Executive Board with a term of two years. The Executive Board will be supported in its tasks by the members of the Extended Board (Claudia Haase, Jérôme Dudacy and Mohammad Shanawaz Babu Sheik). The Advisory Board of the Association, which was newly established during the general meeting, consists of the former Executive Board members Lars Wulken (former President of HHLAA), Anja Ritchie and Christoph Stancke; other members of the Advisory Board are Dr. Gerd Robertz and Steffen Zoller.

The new executive trio, Schuran, Dr. Post and Werner, has close connections to HHL. Dirk Schuran (President) is the Director of Business Development/Sales at a Berlin-based start-up. Dr. Christian Post works as a legal counsel in the field of corporate law and M&A activities for the Otto Group in Hamburg. Raphael Werner is a corporate consultant at Deloitte Consulting in Munich. As the Executive Board of the HHL Alumni Association, they want to ensure its sustainable growth and strengthen the local activities of the alumni chapters. It is important to them that the members of the wide HHLAA network make use of its opportunities for their private and professional exchange actively and efficiently.

Dean Prof. Dr. Andreas Pinkwart thanked the outgoing Executive Board during this year's Homecoming in Leipzig for their commitment and their work for the Alumni at HHL.

HHL's Alumni Association, which is open to all HHL graduates, was founded in 1997. It supports the network of Alumni members in their contacts with each other and strengthens their connection with HHL as their Alma Mater. The Association supports scientific projects and events at HHL as well as important student projects and initiatives. Additionally, HHL students benefit from the HHL Alumni Association's network from the first day of their studies by gaining free access to it until they graduate. www.hhl.de/alumni
